- ReactJS
- NodeJS
- MongoDb
- Git

EDUCATION

BACHELOR OF COMPUTER APPLICATIONS

Amrpali Institute, Haldwani, 2019

INTERMEDIATE

KVM Sen Sec School, Haldwani, 2015

OBJECTIVE

I am interested in IT and everything that revolves around its orbit. I recently began to be fascinated by web programming, i.e. web development. I have recently finished some projects. I gained lots of experience in this area. Also this area complements my studies. I am eager to gain more experience in this field. For that purpose, I am looking for a company willing me to offer an opportunity. In return I would offer my full commitment.
